This is the last fall edition in Warsaw. But don't worry. We will still deliver this unique all in 1 experience to you – in March during the Spring Edition at Hotel Airport Okęcie: 3 styles, multiple floors.

We organize the event but YOU make the party and this special atmosphere, you create this amazing experience for everyone.

**El Sol goes DOUBLE.
We are hosting now
2 elSol events a year instead of 1.**

Fall 2023 we move our biggest elSol Festival to a new amazing modern and spacious venue in the center of Katowice. Explore another part of Poland with us. **We will grow there and make new memories.**

Continue to make experience of elSol your own: your style with your people just the way you like it. With us, in Katowice.
