

## **TERMS OF PURCHASE**

### **RETURNING TICKETS**

There is a 14 day return policy when purchasing a pass. After the 14th day from the date of purchase, we do not accept pass returns for any reason. This includes any accidents or emergencies.

Passes purchased after 22.02.2023 can only be returned until 08.03.2023. Receiving the wristband at the festival office automatically blocks the possibility of returning it.

Multipasses (couple passes, group passes registered as one pass for many people) treated as one pass are purchased by one transaction, which means that only the entire pass can be returned. Half or part of the pass cannot be returned

### **RESALE OF PASSES - CHANGE OF OWNER**

Resale of passes and change of the name assigned to the pass can be made only once, no later than 5.03.2023. A purchased pass cannot be resold to another person. The 14-day return policy does not apply after a change of owner. The organiser does not act as an intermediary in the search for a new purchaser. Participants settle the accounts with each other. Passes put on sale later can have different terms and conditions.

The original owner of the pass sends a notification of the change to the organiser at [registration@salsafestival.pl](mailto:registration@salsafestival.pl) by 5.03.2023 at the latest, stating the name and email address of the new owner.

**Title:** Resale of pass

**Message:**

Name and Surname of the original owner:

E-mail of the original owner:

Pass type:

Name and surname of the new owner:

E-mail of the new owner:

Country & city:

Comments:

Passes for special activities like BOOTCAMP and LAB may be subject to separate resale rules indicated at the description of the particular ticket.

After 5.03.2023, we do not accept requests for change of pass owner regardless of the reason.

Part of the pass purchased as a couple pass or group pass can be resold. However, when changing the owner of the pass, it is necessary to maintain the ratio, that is, the resale is done as Leader-Leader, Follower-Follower.

### **CHANGE OF PASS TYPE**

It is possible to exchange a pass type for another for a similar or wider festival package for an additional charge in the following options:

- EXTENSION of the festival package, e.g. Salsa Pass to VIP Pass, etc.
- CHANGE of a style pass, e.g. Salsa Pass to Bachata Pass, etc.

In order to do that, you need to inform the organizer about your wish to exchange the pass and pay the difference in price between the original and new pass, according to the price list. In the case of exchange for a cheaper pass, the organiser will not refund the price difference.

After the change of pass type, the 14-day return policy does not apply.

Reduction of festival package is treated as a return, possible only within 14 days after purchase.

### **FREE PASSES & SPECIAL OFFERS**

Passes to SALSA SPRING BREAK won in competitions or received free of charge are not refundable, transferred to another event or edition or exchangeable for cash. It is possible to extend the package of such a pass under the general conditions of sale. If the winner of a competition already holds a pass for a given edition, he/she may rewrite the competition pass to another person within a maximum of 7 days of the announcement of the competition results. Otherwise, the transfer of the winning pass is not possible.

Passes sold as part of PROMOTIONS AND SPECIAL OFFERS may be subject to separate return, resale and exchange rules, which are specified in each promotion's regulations.

### **E-TICKETS and FESTIVAL WRISTBANDS**

In order to receive festival wristbands and gain entry to the event, it is necessary to present the **NAMED ETICKET** sent as an attachment to this message and the ID or any document with a photo.

It is **OBLIGATORY** to wear the festival wristband during the entire festival. It must be shown every time when asked by festival staff or security personnel.

Each participant is entitled to 1 festival wristband for the whole event, issued upon registration. We will change them only if the wristband is broken for reasons beyond the user's control. In such a situation, bring the damaged wristband to the festival office and exchange it for a new one.

Please make sure that your wristband is not too tight or wide when you put it on at the festival office, as this cannot be a reason for a wristband complaint.

### **ADDITIONAL INFORMATION**

We would like to kindly inform you that during the event photos will be taken and video materials will be recorded, which may include images of individual persons participating in it.
